

To Dad,

May we always remember your name, may we cherish and recreate those moments/memories that helped us in our lives today. As we stand lost yet at total peace, I and most likely many others would say. You are a treasure, genuine and rare absolutely no one can compare. What a blessing indeed. Your life and dreams are now a part of so many. You have sacrificed so much, I give you thanks for your uncomplaining gentle ways for the love a extending hand. Thank you for being our rock. May you always know that no gesture, touch, kiss, or tear we have shared will be forgotten. Until then thank you again for letting us in and for giving us the opportunity to share the words "I love" you with someone as dear as you.

Mas

APPRECIATION: On behalf of the family, we wish to thank you for your many kindnesses, compassion, thoughts, prayers, and friendship. Thank you for your attendance today, your support and love.
