

*In Loving Memory*

***I Follow A Noble Father***

*I follow a noble father, his honor is mine to wear  
He gave me a name that was free from shame,  
A name he was proud to bear.  
He lived in the morning sunlight and marched  
in the ranks of right.  
He was always true to the best he knew,  
And the shield that he wore was bright.*

*I follow a noble father and never a day goes by  
But I feel that he looks down on me,  
To carry his standards high.  
He stood to the sternest trails, as a brave man can;  
Though the way be long, I must never wrong  
The name of so good a man.*

*I Follow a noble father, and him I must keep in mind  
Though his form is gone, I must carry on  
The name he left behind.  
It was mine on the day he gave it;  
It shone as a monarch's crown; and as fair to see  
As it came to me,  
It must be, when I put it down.*
