

Mom

You loved your coke and fresh strawberry shakes
And off to Oak City a daily trip you would make.

But first you'd load your truck with grandkids
Buy them a pop, ,Tell them hold on to the lids

And away you'd go making memories all day
Sometimes you'd work, other times you'd just play

But no matter what you had planned to do
They all wanted to be there with you

You were a groupie for Slim Whitman that we all know
And so Excited to his concert you'd go

You loved Doris Day and Anne of Green Gables
And loved telling jokes, stories and fables

You had our attention with Mr. Tortel and the Hare
But I guess we probably shouldn't go there...

You were a hard worker and a perfectionist with your baking
This is just the way it was no matter what you were making

You had a great love for traveling and never turned down a ride
Just a mention of someone headed somewhere and you'd jump right inside

You were always so beautiful and could get ready quick
Grab a water and jacket and put on your lipstick

You had such a wit and brought laughter to every heart
We are happy for you to finally be with your sweetheart.

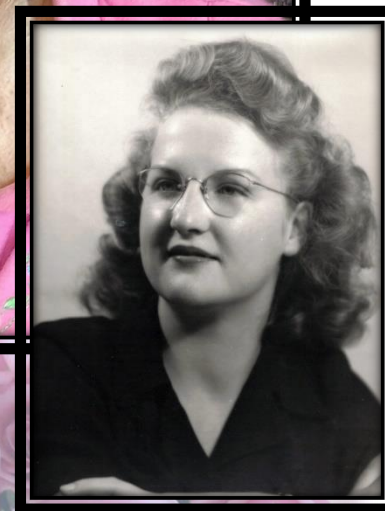

We miss you but know we will see you again
We have great memories to hold onto till then

Connie
