In Loving Memory Of

Michael Alex Borisko

September 16, 1937 - December 14, 2022

85 Years

Mike was born on September 16, 1937 in the Bruno district to John and Lena (nee Luchak) Borisko. He obtained his education at the St. Quinton School. Mike enjoyed playing ball and was the back catcher for the local teams. Following school, Mike worked for Wells Construction on the building of the Dana Radar Base. Then later he began employment as a Civil Servant with the Radar Base in the supply department. In 1987 when the Dana Radar Base closed, Mike continued as a Civil Servant at CFB Dundurn until retiring in 2006. Mike married the love of his life Shirley (nee Bilan) on December 14, 1968. This union was blessed with four children. He loved to “tinker” and was always busy puttering around his farm. Spring was his favorite time of the year on the farm. Mike had a passion for gardening and was always out planting a large vegetable garden year after year. He made sure his garden was weed free and when he ran out of weeds to pull, he’d help Debbie with hers. For relaxation he loved watching sports of any kind. He followed his children and their activities and then continued to follow his grandchildren in Ukrainian dancing, hockey, and ball. The title “Gido” made him proud and brought much joy to his life. Mike and Shirley were able to make many trips to visit family in Ontario and BC, they also experienced memorable vacations to Hawaii and Las Vegas. The pull of the land kept Mike close to his roots where he continued to farm through out his lifetime and remained on the homestead until November 1, 2022 when they moved to Humboldt. Mike passed away peacefully on Wednesday, December 14, 2022 on their 54th wedding anniversary.
