

I'M FREE

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took His hand when I heard Him call

I turned my back and left it all.

I could not stay another day

To laugh, to love, to work or play
Tasks left undone must stay that way
I found that peace at the close of day.

If my parting has left a void

Then fill it with remembered joy.

A friendship shared, a laugh, a kiss

Oh yes, these things I too will miss

Be not burdened with times of sorrow

I wish you the sunshine of tomorrow

My life's been full, I savored much,

Good friends, good times, a loved one's touch

Perhaps my time seemed all too brief

Don't lengthen it now with undue grief.

Lift up your heart and share with me

God wanted me now: He set me free.
