

Charles S. Iddings was born on August 17, 1934 in Danbury, IA to Charles L. Iddings and Audrey (Livermore) Iddings. He married Rosemary E. Henrich. He served in the US Army. He was an accountant as his profession. He was employed by the same company for 42 years as it changed from Wilson's Trucking to All American and finally American Freight. He finished his career at Risk Administration Services and retired to his home on Lake Brant, Chester, SD.

Chuck enjoyed wood working as a hobby and built many things including small items like candle holders, wine bottle holders, coasters, and trivets. He built furniture including hutches, TV stands, hall trees and computer desks. He was asked to build a reliquary to hold saint's relics which is housed in the alter of the remodeled St. Joseph Cathedral in Sioux Falls. His wood working did not stop there. Chuck built the home at Brant Lake where the family has shared years of happy memories. Chuck was also an avid gardener. He grew most of the standard vegetables but also tried other things like the year he grew peanuts. He liked to be busy!

Chuck and Rosy loved wintering in Arizona, Texas, and Florida in their motor home. They traveled to all 50 states and to Europe in their years together. Now he has traveled to his final resting place.

He is preceded in death by his father, mother, brother, sister, sister-in-law, brother-in-law and one great-grandson.

He is survived by his wife, two sons, Michael (Evelyn) Iddings, Jeffrey (Rhonda) Iddings and a daughter, Monique (Michael) Christensen; grandchildren, Zachary (Amy) Iddings, Caitlin (Nick) Haug, Michelle Iddings, Jasmine Iddings, Alonzo Christensen and Aidan Christensen; six great-grandchildren, Clara Iddings, Elise Iddings, Bridger Iddings, Remy Haug, Scout Haug and Huxx Haug and his nieces, nephews and extended family.
