### *God's Garden*

*God looked around his garden and found an empty place.  
He then looked down upon the earth, and saw your tired face.*

*He put His arms around you and lifted you to rest.  
God's garden must be beautiful, He always takes the best.*

*He knew that you were suffering, He knew that you were in pain.  
He knew that you would never Get well on earth again.*

*He saw the road was getting rough and the hills were hard to  
climb. So He closed your weary eyelids And whispered "Peace be  
thine."*

*It broke our hearts to lose you but you did not go alone. For part of  
us went with you the day God called you home.*

*But you did not go alone. For part of us went with you the day  
God called you home*

*Though the smile is gone forever and your hands we cannot touch,  
we will always have sweet memories of the one we loved so much.*
