In Loving Memory

I WILL NEVER LET GO

*You changed my life
From your first hello.
We became friends.
I loved you so.*

*You believed in me
And helped me to know
That no matter what we faced,
Together we'd go.*

*We realized a day would come
Perhaps one of us would go.
Through my anguish resists
I accept that is so.*

*Our love won't end here
But will continue to grow.
You're the best part of me
And that will always show.*

*From my head to my heart
Remembrances will flow
And recover my spirit
When I'm feeling low.*

*What is now kept in heaven
Will be missed here below.
But the memories, I promise,
I will forever hold.*

*For I will never forget.
I will never forgo.
I will always remember.
I will never let go.*
