I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took his hand when I heard Him call
I turned my back and left it all.
I couldn't stay another day
To laugh, to love, to work or play.
Task left undone must stay that way,
I found that peace at the close of day.
If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow
My life's been full, I've savored much
Good friend, good times, a love one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts and share with me.
God wanted me now. He set me free.*

Missing You Always

You never said I'm leaving,

You never said goodbye.

You were gone before we knew it,

And only God knows why.

A million times we've needed you

A million times we've cried

If love alone could have saved you.

You never would have died.

In life we loved you dearly in death we love you still.

In our heart we hold a place

That only you can fill...
