WE LOVE YOU!!!

WE LOVE YOU!!!

My Uncle

*I came into this life you held me in your arms,
You kept me safe so no one could harm.
You taught me values, lessons in life I would learn,
Mostly you taught me respect, I gave you love in return.
You have always been in my life through thick and thin,
And now my lonely journey without you will begin.
For you were my hero for ever and a day,
You will always remain that hero
till I meet you again someday.
No more early trips to dialysis, you are now at peace
So rest with your heavenly family.
Look over us with that bright smile on your face,
That we will never forget.
I miss you so much words can't explain
But I know this pain will someday be eased
With sweet memories of you.
As the sweet calm of the rivers flow
You are finally at peace.*
