

GOING HOME

Going home, going home
I am going home
Quiet like, some still day
I am going home

Morning star light the way
Restless dreams all gone
Shadows gone, break of day
Real life has begun

It's not far, just close by
Through an open door
Work all done, care laid by
Never fear no more

There's no break, there's no end
Just living on
Wide awake, with a smile
Going on and on, going on and on

Mother's there expecting me
Father's waiting too
Lots of faces gathered there
All the friends I knew

Going home, going home
I am going home
Shadows gone, break of day
Real life has begun

I'm just going home

I'm just going home

No more fear, no more pain
No more stumbling by the way
No more longing for the day
Going to run no more
