

A smile so big and beautiful,  
Could brighten any room  
A real brave superhero,  
He left us far too soon.  
He touched the hearts of many,  
The most inspirational boy by far,  
A loving, caring son and brother,  
Our beautiful bright star.  
Although your time with us was short,  
You must have a job to do,  
In heaven with the angels,  
As God has chosen you.  
Our lives and hearts are broken,  
Way beyond repair,  
When looking for some comfort,  
For each other we will be there.  
For now my boy,  
We will say goodbye,  
We'll meet again,  
Our superhero, high up in the sky.
