“BABY BYE” ■ “SHUT UP”

God's Garden

*God looked around his garden- And found an empty place,
He then looked down upon the earth- And saw your tired face.
He put his arms around you -And lifted you to rest.*

*God's garden must be beautiful -He always takes the best.
He knew that you were suffering -He knew you were in pain.
He knew that you would never – Get well on earth again.*

*He saw the road was getting rough – And the hills were hard to climb.
So he closed your weary eyelids – And whispered, 'Peace be thine'.
It broke our hearts to lose you – But you didn't go alone,
For part of us went with you – The day God called you home.*

She Is Gone

*You can shed tears that she is gone or you can smile because she has lived.
You can close your eyes and pray that she'll come back
or you can open your eyes and see all she's left.
Your heart can be empty because you can't see her*

*or you can be full of the love you shared.
You can turn your back on tomorrow and live yesterday
or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she's gone
or you can cherish her memory and let it live on.*

*You can cry and close your mind,
be empty and turn your back
or you can do what she'd want:
smile, open your eyes, love and go on.*
