

In Loving Memory

WHEN TOMORROW STARTS WITHOUT ME

When tomorrow starts without me
 And I'm not here to see
 If the sun should rise and find your eyes
 All filled with tears for me

I wish you wouldn't cry
 The way you did today
 While thinking of the many things
 We did not get to say

I know how much you love me
 As much as I love you
 Each time that you think of me
 I know you will miss me too

When tomorrow starts with out me
 Please try to understand
 That an angel came and called my name
 And took me by the hand

The angel said my place was ready
 In heaven far above
 And that I would have to leave behind
 All those I dearly love

But when I walked through Heaven's Gates
 I felt so much at home
 When GOD looked down and smiled at me
 From his golden throne

He said this is eternity
 And all I promised you
 Today for life on earth is done
 But here it starts a new

I promise no tomorrow
 For today will always last
 And since each day's the exact same way
 There is no longing for the past

So when tomorrow starts without me
 Do not think we're apart
 For every time you think of me
 Remember I'm right here in your heart
