I'm Free

*Don't grieve for me for now I'm free.
I'm following the path God laid for me
I took his hand when I heard him call.
I turned my back and left it all*

*I could not stay another day.
To laugh, to love, to work, to play
Tasks left undone must stay that way.
I found that peace at the closing of the day*

*If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss.
Ah yes, these things I too will miss*

*Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow
My life's been full I've savored much.
Good friends, good time, a loved one's touch*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart and share with me
He set me free*
