

Our Rock

*Our beautiful rock was a wife, a mother,
an awesome cook, and a grandmother too!
you lived your life and this is the legacy
we have left from you.*

*You taught us how to love and how to fight
You gave us strength, you gave us might.
An even stronger person would be hard to find,
to fill the shoes you once walked in
And in your heart you were always
so loving and kind.*

*You fought for us all in one way
or another through the good, through the bad.
Not just as a wife, not just as a mother,
but as a grandmother.*

*For all of us you gave us your best
and now the time has come for you to rest.*

*You fought a good fight,
you finished the course, you went in peace
and you've earned your sleep.
Although you will be greatly missed,
your love for us in our hearts
we'll forever keep.*
