When I Must Leave You

When I must leave you
for a little while
Please do not grieve
and shed wild tears

And hug your sorrow to you
through the years.
But start out bravely
with a gallant smile:

And for my sake and in my name
Live on and do all things the same,

Feed not your loneliness on empty days,
But fill each waking hour in useful ways.

Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near;

And never, never be afraid to die.
