

Footprints

*One night I had a dream
I was walking along the beach
with the Lord, and across the skies
flashed scenes from my life. In each
scene I noticed two sets of footprints in
the sand. One was mine, and one was the
Lord's. When the last scene of my life ap-
peared before me, I looked at the foot-
prints in the sand, and to my surprise, I
noticed that many times along the path
of my life there was only one set of foot-
prints. And I noticed that it was at
the lowest and saddest times in my
life. I asked the Lord about it:
"Lord, you said that once I
decided to follow you, you
would walk with me all
the way. But I notice
that during the most
troublesome times in my
life there is only one set
of footprints. I don't
understand why you
left my side when I
needed you most." The
Lord said: "My precious
child, I never left you
during your time of
trial. Where you see
only one set of foot-
prints, I was car-
rying you."*
