A Precious One

*A precious one from us has gone,
a voice we loved is stilled;
A place is vacant in our hearts,
which never can be filled.*

*We miss you now; our hearts are sore,
as time goes by, we'll miss you more;
your loving smile, your tender face,
no one can fill your vacant place.*

*And after a lonely heartache
and many a silent tear
but imagine a beautiful memory
of one we loved so dear...
you will be forever be in our hearts.*
