Benediction

Your laughter, your joy, your smiling face

Your prayers, your cheers always brought life to your space.

We love you so much; your presence will be missed;

But God's peace awaits in a place far better than this.

You finished your race, your work is done.

It's time to take your rest in the throne room of the Son.

We love you, Yes;

But God loves you best.

Dr. Fitzhugh
