Recessional

**We all say there is a reason,
We pray that time will heal,
We say he took you from struggling,
now we see that time is real,
for no one knows the heartache,
and the lies behind those smiles,
telling God to redirect us,
since we wont see you for a while,
I want to tell you something,
so there wont be any doubt,
you are so wonderful to think of,
But so Hard to live without,**
