## My Little Angel

You've just walked on ahead of me  
And I've got to understand  
You must release the ones you love  
And let go of their hand.  
I try and cope the best I can  
But I'm missing you so much  
If I could only see you  
And once more feel your touch.  
Yes, you've just walked on ahead of me  
Don't worry I'll be fine  
But now and then I swear I feel  
Your hand slip into mine.

***Love you Baby Girl,  
Your Mommy & Daddy***

## Heaven's Rocking Chair

Are there rocking chairs in Heaven  
where little babies go?  
Do the angels hold you closely  
and rock you to and fro?

Do they talk silly baby talk  
to get a smile or two,  
and sing the sleepy lullabies  
I used to sing to you?

My heart is aching for you,  
my angel child so dear.  
You brought such joy into my life,  
the short time you were here.

I know you're in a happy place,  
and in God's loving care.  
I dream each night I'm rocking you  
in Heaven's rocking chair.
