### **A Daughter**

A daughter is a wonderful blessing, a treasure from above. She's laughter,  
warmth and special charm, she's thoughtfulness and love.

A daughter brings a special joy, that comes from deep inside. And as she grows  
to adulthood, she fills your heart with pride.

With every year that passes, she's more special than before. Through every  
stage, through every age, you love her even more.

No words can describe the warm memories, the pride and gratitude, too. That  
comes from having a daughter, to love and to cherish...just like you!
