Obituary

Doris Elaine Jimmerson was born on February 4, 1950 to Minnie L. Vaught (Fentress) and the late Charlie Hopgood near Bolivar Tennessee. She had the great privilege of being raised by her loving grandparents the late Roosevelt and Margaret Moore. She professed a hope in Christ at a very early age and became a member of Clover Chapel Baptist Church in Toone, Tennessee. In the later years of her life, she joined Hillfield Baptist Church in Toone, Tennessee under Rev. Lawrence Pirtle, where she stayed until her death.

In 1966, she entered holy matrimony to the late Ernest Jimmerson and to this union four children were born. She became a foster parent for many children for many years, and she decided to adopt three boys a forever family. She was also referred to as mother and grandmother (aka Grammy) to many people and children in the community. She loved everyone and was loved by everyone, and met no strangers.

Doris had a love for cooking and was employed as the cook at First Baptist Church where she was passionately loved by Pastor John...and all the members of the church, and everyone loved her cooking.

She was preceded in life by her parents Roosevelt and Margaret Moore and Charlie Hopgood and one grandchild Jaylon Jimmerson. She leaves to cherish her memories her parent Minnie L. Recessional

Never say goodbye

*There can be no goodbyes for us
It'd be too painful, dear
Our connection still lives on
Although you're far from here*

*I miss the times that we once had
But one day, once again
I'll hold you close and laugh with you
I just wish I knew when*

*Each moment til that day arrives
Until my time is through
I'll miss you more than words can say
And always think of you*

*I'll look for you among the stars,
And each dawn's pastel sky,
And whisper words of love you
But never say good bye.
From all your children...*

A grandmother Just Like you

*We just want to let you know
You mean the world to us
Only a heart as dear as yours
Would give so unselfishly*

*The many things you've done
All the times that you were there
Help us know deep down inside
How much you really care*

*Even though we might not say
We appreciate all you did
Richly blessed is how we feel
Having a "grammy" just like you.
Love all grandchildren...*

You meant so much

*You meant so much to all of us
You were special and that's no lie
You brightened up the darkest day
And the cloudiest sky*

*Your smile alone warmed hearts
Your laugh was like music to hear
I would give absolutely anything
To have you well and standing here*

*Not a second passes
When you're not on our minds
Our love we will never forget
The hurt will ease in time*

*Many tears I have seen and cried
They have all poured out like rain
I know that you are happy now
And no longer in any pain
Love your Niece (Valeska Fentress)*

You fought the battle and ran the race It's started to get rough, so the Angels called you to a better place. We miss you already, but everything will be alright. We saw the wing's landing and you boarded your flight. You heard whispers and singing, then a loud voice, your body got tired; you had to make a choice. The journey is over, but your spirit we will forever feel. You're in the bosom of Jesus now, stamped with the golden seal. We're all sitting and staring with nothing to say. Our hearts are aching and all we can do is PRAY.

Love Always!
