*When tomorrow starts without me, and I'm not there to see;  
If the sun should rise and find your eyes, filled with tears for me.  
I wish so much that you wouldn't cry, please dry your eyes  
and each time that you think of me, try to understand,  
an angel came and called my name and took me by the hand.  
And said my place was ready, in heaven far above  
and that I'd have to leave behind all those I dearly love.*

*Memorable Moments*

**Me and my Grand Daddy**

*My granddaddy and I  
No valley to low nor mountain to high  
to delay our love and  
the twinkle in our eye.*

*As I sit and think of  
how much you mean to me  
in heaven is the best place  
for you to be.*

*The jokes, laughter, and memories  
I'll always cherish, between  
Me and my granddaddy,  
My granddaddy and me.*

~ The Broken Chair ~

We didn't know that day  
 God was going to call your name,  
 in life we loved you dearly, in death we do the same  
 I thought our heart to lose you, you did not go alone  
 part of us went with you, the day God called you home  
 You left us peaceful memories, your love is still our guide  
 and though we cannot see you, you're always at our side  
 Our family chain is broken, and nothing seems the same  
 but as God calls us one by one, the chain will link again.

Love you,  
 Gone but never Forgotten

## *Notice!* Change of Address

Dear family and friends,  
 I want you to know that I have moved. I received a call from God, the chief architect, who informed me that my new house was ready and that I could move in immediately.

Well, my new house is finished and it's a sight to behold. It's located in an exclusive estate area, and it's behind pearly gates. There is joy and happiness here with no pain to bear, nor any strife or discontent. I could go on exploring around my new home but I've got to get fitted for my wings. Let me give you my new address:

Thessalonian Sain  
 12 Gates in the City Avenue  
 God's Town, Heaven 77777

P.S. I don't have a telephone yet, but call God first, I'll get the message.
