

Acknowledgement

God made this world of ours, he holds it in his hand. He has the key to countless things. We'll never understand, but one thing is plain to us, he very wisely knew his child would have needs of friends and he sent us you..... We are grateful to God for all he has given. For the friends, and extended family who have extended so much love, and kindness, the prayers, cards, visits, calls, whatever you chose to do, please except our sincere gratitude.

May God Richly bless each of you.

In Loving Memory of a Very Dear Mom

Whenever I think of you,
mom and how things used to be.
I wish so much I could go back in time
And relive those precious memories.

Words cannot describe the sadness this brings
Or how very dearly you are missed.....

You were everything a loving mom could be;

You meant so much to me.

You were remarkable, beautiful, and a wonderful mom.

You were one in a billion indeed.

Life is not the same without you;

You're truly irreplaceable.

No one could ever take your place,

You were loved more than words could ever say.

Until we meet again to part no more,

I'll forever remember you with love.

I'll dearly cherish my memories with you.

You're a mom who's unforgettable.

Love Always, Tootie

You left this world long before I'd planned for you to go;
but though our time to say goodbye came way to soon,
you'll never be forgotten.

You'll live on in my heart in that special place reserved for you.

There is no doubt you're safe and sound in heaven,
but with you gone, I'll be forever changed;
and though I cherish every moment of every memory.

Oh how I'd love to have you back again;
I'll never forget you, I'll always miss you.

When we meet again,
I'll wrap you in my arms and tell you how I love you.
Then once again, my heart would be complete.
But until then, I'll hold on to the joy you brought to my life.
And think of you "my wife" with every smile I see.
I will miss you, I'll never forget you.

You have my heart forever,
Jeffrey

Recessional

I remember when I was small, and you were kind and sweet,
You really haven't changed a bit, you put everyone at ease.

I knew that you were thoughtful and, today you're still the same.
You showed your love to others, and that will never changed.

You've always been right there for us, in good times
and bad.

You laughed with us in happy times, and cried with us
in sad.

You've always been a special
aunt, as special as can be;
more than that—you've been a
friend, a cherished friend to me.

We will always love you,

Porsha and Shaquille
