## *Always There*

When you remember me,  
Please do not weep.  
My body may not be there.  
It has chosen to sleep.  
I'm not that far away.  
My soul lives on,  
Looking down, watching over  
You and everyone.  
And when you feel sad  
And life seems so blue,  
Just remember  
That my spirit has its arms around you.  
And on those special days,  
Times that you wish I could see,  
That cool breeze flowing past you...  
Well, that will be me,  
So don't be sad,  
Have no fear;  
God has taken me under his wing,  
But I'll always be near.  
I still watch you  
Every minute, every day.  
My love and soul are with you,  
And that's where they will stay.

## In Memory of a Wonderful Brother

We hold onto our memories  
The ones that are so dear  
To try to keep you always close  
Now you are not here.

You were called, it was your time,  
But it is so true.  
You have left a legacy  
There was no one like you.

You were very special  
And we want to say,  
We feel lost in many ways  
You are not here today;

But we will never forget you,  
And we know we have been blessed  
To have you for our Brother  
Because you were the Best.

*Love your brothers and sisters*
