

Acknowledgement

God made this world of ours, he holds it in his hand. He has the key to countless things. We'll never understand, but one thing is plain to us, he very wisely knew his child would have needs of friends and he sent us you..... We are grateful to God for all he has given. For the friends, and extended family who have extended so much love, and kindness, the prayers, cards, visits, calls, whatever you chose to do, please except our sincere gratitude.

May God Richly bless each of you.

Missing Momma

I awake each morning to start a new day,
But the pain of losing you never goes away.

I go about the things I have to do,
And as the hours pass, I think again of you.
I want to call you and just hear your voice.

Then I remember that I have no choice,
For you are not there and now my heart cries
Just to see you again, to tell you goodbye.

To say, "Mama I love you and I always will,"
And hope that much of you in me you've instilled.

And now all my memories of you are so dear,
But gosh, how I miss you and wish you were here.

Who now can hear me when I need to cry?
It's so hard to tell you, "Mama goodbye."

Someday I know all will be well
And I'll see you again with stories to tell
Of how you were missed and how we have grown

And how good it is to finally be home.
Until then my memories of you I'll keep near,
And I'll pass them on to those who are dear.

I miss you, Mama!

Love,
Your Children

A Poem for You

The love you had was so strong, it Glowed
Such a genuine heart you had, and such a beautiful soul.

As a grandmother, you taught us right from wrong.
When we were weak, you taught us to be strong.
We enjoyed your company and our laughs.
Your existence is the best blessing that we could ever have.

Now may you rest in Heaven, forever in peace,
Missing you is like a puzzle with a lost piece.
Every time we reminisce about you, we may cry,
But like always, you would be there to dry our weeping eye.

So on the behalf of your grandchildren
That you so dearly loved,
We miss you, and your kisses,
But most importantly your HUGS!
