The Broken Chain

We did not know that morning, that God was going to call you home. In life we loved you dearly. In death, we do the same. It broke our hearts to lose you, you did not go along, for part of us went with you, the day God called you home. You left us peaceful memories; your love is still our guide and though we cannot see you, you are always at our side. Our family chain is broken and nothing seems the same, but as God calls us one by one the chain will link again.

Acknowledgement

During a time like this, we realize just how much our relatives and friends really mean to us, so we the family would like to thank each and everyone of you for every act of kindness expressed, you gave us comfort and came to assist us in sorrow, grief, and distress. May God continue his blessing on each of you, so keep us in prayers.
