Tributes. . .

To Our Wonderful Mother

God made a wonderful mother,
A mother who never grows old.
He made her smile of the sunshine.
And He molded her heart of pure gold.
In her eyes He placed bright shining stars,
In her cheeks fair roses you see.
God made a wonderful mother,
And He gave that dear mother to us three.

Love your daughters

Someone who's so strong and willing will always be a soldier.
Applying pressure but never felt pain. Being bold when in doubt.
No complaints just worked it out. Being strong was all you talked about.

Someone who loved and also would help you out.
Keeping us right and would never like to see us fight. For you,
I will never lose twice. You will always live through us.
Always will be in our site.

Love you *Granny* and watch over us as you fly your kite.

Forever in our hearts, your grandchildren and great grandchild

To Our Sister...

We're blessed to call you sister,
We also call you friend;
You've loved us unconditionally,
And stood through thick and thin.
You've shared our joys and sorrows,
Our laughter and our tears.
You've been our inspiration,
As we grew up through the years.
When we were little children
We laughed and played together;
Then growing up you stood by us,
Through good and stormy weather.
There's something God has given us,
That's more than family;
He's placed a love for you, our Sister,
Deep down in the heart of us.

Love your Brothers and Sisters

We Love you For your Nieces and Nephews

I know that you're resting and you're gone for good.
It's hard to accept, but now we understood.
Nothing lasts forever, even if it's good or it's bad.
Now you're up in heaven; it makes us feel glad.
That finally your pain and sadness has ended.
Just like the way God had intended.
At this time you're standing at those big golden gates.
Up in heaven your new life awaits.
We know you're looking down on us wanting us to be strong.
And we know you have been all along.
We all miss you and that's definitely true.
When we think of all the times we had with you.
For now you've gone up high in the sky.
Because this is your time to say goodbye.

Acknowledgements

Perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts we thank you so much for whatever part. We deeply appreciate your kind expression of sympathy in our time of great sorrow. Thank you for keeping us in your thoughts and prayers. The Stewart Family
