## When I Must Leave You

When I must leave you  
For a little while;  
Please do not grieve  
And shed wild tears  
And hug your sorrow to you  
Through the years,  
But start out bravely  
With a gallant smile;  
And for my sake  
And for my name  
Live on and do  
all things the same,  
Feed not your loneliness  
On empty days,  
But fill each waking hour  
In useful ways,  
Reach out your hand  
In comfort and in cheer  
And I in turn will comfort you  
And hold you near;  
And never, never  
Be afraid to die  
For I am waiting for you in the  
sky!

## **“Miss You Always Brother”**

Our hearts have been left broken  
Since the day you had to go,  
And the memories we treasure dearly  
Are in the tears that still flow.  
You're in our thoughts everyday  
And that's how it will always be;  
For you may be up in Heaven now,  
But you'll always be with me.  
The day that Heaven calls us  
Will be a relief from all this pain.  
We'll run to you with open arms,  
And we will all meet again.

***Love,  
Your brothers and sisters***
