## “Sister”

We grew up a little distance but that's okay,  
Because when you shared with others I was your little  
brother any day. God has now prepared a place for  
you to rest; Please watch over us all big sis  
especially your earthly nest.....  
Sincerely Your Baby Brother

## “To My Sister”

Big Sis you really messed me up  
with this one. But I know I can't  
question why; Just know I wasn't  
ready to say goodbye. God knew  
the need for someone to add  
humor to my life; Someone to  
argue with and laugh with  
For special comfort and  
friendship. Someone whose life  
would touch ours in a hundred  
different ways. So he made us  
sisters Until we meet again...  
I'll forever be my Sister's Keeper  
Love Your Only Little Sister

# To Our Mother

Mom you left too soon  
We haven't loved you enough  
Our relationship was never  
ideal, Our journey was a  
little tough. Let this be a  
new start, As you leave today  
Let me cry let me say,  
My mom was my Hero  
Lead us in the right way.  
We will forever love you

"Mom"

Sincerely,

Your Lovely Daughters  
Segouyia, Cadija and Adria
