# *My Journey Home*

Don't think of me as gone away,  
for my journey has just begun.  
Life holds many faces,  
this earth was only one.  
Think of me as resting,  
from my worries and fears  
in a place of warmth and comfort  
where there are no days and years.  
Think of how I'm wishing  
that y'all could know today,  
how nothing but sadness  
can really pass away.  
So, think of me as living in the hearts  
of the ones I touched,  
for nothing loved is ever lost;  
and you know I was loved so much.

# *Missing My Wife*

When I try to take a break  
and relax in my busy life,  
my heart, it does ache,  
and all I think is how I miss my wife.

It hurts me so bad,  
all this pain inside,  
thinking of the love we had  
and the tears I have cried.

I think of the places that we went to,  
how I love you with all my heart  
and all the things we didn't get to do,  
but most of all how we have been torn apart.

I miss you so  
and love you still.  
I did not want to let you go,  
but I tell myself it was God's will.

*Love Always,  
Your Husband, Emmett*
