Have you seen my DADDY

Have you seen my Daddy? I don't know where he's gone.
Sometimes it hurts so much I can't seem to carry on.
Some say he is always watching. I hope this to be true
And that one day he'll return to me and say, "I've come for you."

Have you seen my Daddy? I imagine he's doing okay,
Though it hurts to know I can't call him every day.
I really miss my Daddy. I wasn't ready to say goodbye.
It will never be the same. years from now, I know I'll cry.

I bet he sees us mourning but would want us to smile
And tell us our time part is only a little while
I'll never quite understand why your time here was so small,
But you said you'll always be there to catch me when I fall.

I miss you so much, Daddy, but I hope and pray
That when it's my time, you'll come for me. I'll see you again someday.

Love you daddy, Kiyon

Son, I wish I could wake up and see you standing there.
Then I would know that it was just a nightmare.
Son, I remember when you were small and how you would hold my hand,
and as you grew older you became my best friend.

Son, I have 28 years of memories that I will treasure and keep safe in my heart.
We share a bond that time and distance can never break apart.
Son, oh how my heart aches so.
I would love to have you back and never let you go.

Son, where there was happiness,
now there is sadness.
Son, how I long to hear your voice and see your beautiful smile
and have you back for just a little while.
Son, until that day I see you again,
I will look to the sky and search among the stars for my son and best friend.

Love,
Mom

Something will remind me I never know just when
It might be something someone says and it all comes back again.
The times we spent together the happiness and the fun
Once again I feel the pain of life without my Son.
It's said that time's a healer I'm not sure this is true
There's not a day goes by Son that I don't cry for you.

Love,
Dad

Recessional

The day you left was a day no one expected. That day was very hectic, no one could understand why. There was no chance to even say goodbye, but deep down inside we know you’re ok. We will always remember your silly ways till this day. No matter what people have to say about you, we know all the great things about you. We love you, and will always miss you even though things will never be the same.

Love your family
