

HER JOURNEY

*Don't think of her as gone away,
Her journey's just begun.
Life holds so many facets,
This earth is only one.*

*Just think of her as resting
From the sorrow and the tears,
In a place of warmth and comfort,
Where there are no days and years.*

*Think how she must be wishing
That we could know today,
How nothing but our sadness
Can really pass away.*

*And think of her as living
In the hearts of those she touched,
For nothing loved is ever lost,
And she was loved so much.*
