Granny.....God looked around his garden  
and he saw an empty space.  
Then he looked down upon this earth And saw your tired face.  
He put his arms around you And lifted you to rest.  
God's garden must be beautiful He only takes the best.  
Granny you will be forever here.  
With loving thoughts..of you I keep right here.  
So now you're in a better place.  
This truth is now what we all must face.  
We will say goodbye.. but just for today.  
To me you're simply just going way.  
Your with Granddad.....  
Once again it's Louise and Big Ed.  
There are so many. things to be said.  
You made us laugh, you made us think  
Your infectious laughter, your subtle wink  
You loved us all, we felt it in our hearts.  
You're now our angel, you gave us wisdom and smarts.  
We will always love you so much to say..  
Love is endless, your free today.  
When I look to the sky, I will see your sweet face.  
Love is endless, your memories we embrace.  
We love you Granny, you will be forever in our mind..  
In our hearts, and in our memories.  
Rest in peace. Until we meet again
