Larry Scott Savoy was born September 8, 1957 in Cleveland, Ohio to the union of Robert Savoy and Willa Mae Wooten. The last of four boys joining brothers William, Robert and Michael.

Larry during his formative years played clarinet and was tutored by his mother Willa how to play the piano. He was baptized at Parkwood AME church where he along with brother Michael was an altar boy. Larry was an exceptional student educated in the Cleveland Public and Catholic school systems. He graduated from John F. Kennedy High School in 1976 where he was a member of the drama and ski clubs and then on to the University of Akron obtaining a bachelors degree in Communication in th Arts & Science in 1980. Larry then enrolled at Howard University in Washinton D.C which he was to make his permanent home. Upon receiving his masters degree he took a position as an Information Specialist at the Library of Congress until retiring in 2016.

Larry lived life to the fullest he enjoyed art and books and traveling. He had traveled to London , Paris, Cuba and his favorites Puerto Rico and New York. He was also the self proclaimed historian of the family, he loved his family. Especially his nieces and nephews often sending them gifts from his travels abroad.

Larry is preceded in death by his parents Robert and Willa Savoy and brothers William and Robert.

Larry leaves to cherish his memories brother Michael (Nataline) Savoy and Nieces Robyn (Roy) Miles and Ashley Savoy and nephews Anthony and Jason Savoy. Aunts Ruth Leach and Jean Williams and many special cousins and friends.

Larry or Laurence as he liked to call himself became ill in 2021 and was brought from Washinton DC back to Cleveland, Ohio by his family to convalesce at his family home. Sadly this did not happen and he lost his fight with his ailness. He will be greatly missed by his dear family and friends.

LOVINGLY SUBMITTED,
THE FAMILY

*And now the end is here
And so I face that final curtain
My friend I'll make it clear
I'll state my case, of which I'm certain
I've lived a life that's full
I traveled each and every highway
And more, much more
I did it, I did it my way*

*Regrets, I've had a few
But then again too few to mention
I did what I had to do
I saw it through without exemption
I planned each charted course
Each careful step along the byway
And more, much, much more
I did it, I did it my way*

*Yes, there were times I'm sure you knew
When I bit off more than I could chew
But through it all, when there was doubt
I ate it up and spit it out
I faced it all and I stood tall and did it my way*

*For what is a man, what has he got?
If not himself then he has naught
Not to say the things that he truly feels
And not the words of someone who kneels
Let the record show I took all the blows
and did it my way*
