

The Carolina Red Fox

Written by Cynthia Taylor

*A green 18 wheeler Henry use to drive
A KW-900 he drove with pride
"Carolina Red Fox" on his CB they'ed call
As he travelled over the highways
talking to them all
A man without much education nor degree
Travelled the road from sea to sea
North and South, East and West
Carolina Red Fox knew travelling best
Using an atlas, paper maps, and an ink pen
Never got lost, He'd filled the routes in
He loved his truck better than most
Travelling over hills & mountains
from coast to coast
Breaker 1 - 9 you could hear them call
"Carolina Red Fox" what's going on y'all?
A great trucker has taken a flight far far away
To a place up in Heaven he planned a stay
Breaker 1 - 9 he heard God call
No more pain or grief
He's released from them all
Blessings to my friends and loved ones
The sun has set , my work here is done
Breaker 1 - 9 I must say good bye
Carolina Red Fox is beyond the sky!*
