Like falling leaves
you slipped by,
But love and
memories never die.
A silent thought,
a secret tear,
Keeps your
memory ever near.

A heart of gold
stopped beating,
Two shining eyes at rest.
God broke our hearts to prove to us,
He only takes the best.

The things we feel so deeply,
Are the hardest things to say,
But we, the family, love you
In every special way.

They say memories are golden,
Well, that may be true,
But we never wanted memories,
We only wanted you.
