

A New Journey Begins

*There is a place I've never seen
beyond this world we know, a place I've
only heard of but someday hope to go -
It's not on any map, there are no roads to
take me there, but it's a place of perfect
peace where hearts are free from care.
And though I understand some may be
saddened when I leave, one day, we all
meet again- that's what I believe...
When it's time to travel there, I think I'll
wear a smile, I'll say good-bye to those I love,
but only for a while, knowing there are
others who have traveled there alone,
who cannot wait to greet me and to whisper
"welcome home."*
