*Blessed are they who understand my faltering
steps and shaking hand.*

*Blessed are they who know that my ears today
must strain to catch the words they say.*

*Blessed are they who seem to know that my eyes
are dim and wits are slow.*

*Blessed are they who looked away when my coffee
spilled today.*

*Blessed are they who never say "You've told that
story twice today."*

*Blessed are they who know the ways to bring
back lovely yesterdays.*

*Blessed are they who make it known that I am
loved, not left alone.*

*Blessed are they who know the loss of strength I
now need to bear the Cross.*

*Blessed are they who ease the days on my journey
home in loving ways.*
