

### *Remembering the life of....*

Theresa V. Klier (Schwartz), 28, Fargo, ND died on Sunday, October 1, 2017 at Essentia Health, Fargo.

Theresa Victoria Klier was born on April 5, 1989 in Fargo to Craig and Karen Schwartz. After high school, Theresa worked in many fields, eventually settling into customer service. On September 22, 2017 she married Dave Klier.

Theresa was a loving daughter, sister, and friend, who was loved in her lifetime. Theresa was one of a kind, her wisdom and opinion was always voiced, and she stood out in every crowd for her amazing spirit, even when she would have rather hidden in the back. She was strong willed following her heart to the very end. She was known for her love for animals, caring for them and volunteering at shelters was her passion. She loved to travel, she loved to get up and leave at a moments notice to visit someplace new, her favorite places being zoos or just being out in nature exploring. Theresa also wanted to make a lasting difference, so her last act of kindness was donating her organs so that others will have a chance to live there lives to the fullest as she has done.

Theresa is survived by her husband, Dave Klier, of Moorhead, MN, her father Craig Schwartz, of Fargo, mother Karen Schwartz, of Moorhead , 3 siblings: Krystal (Andrew) Sheldon, of Mapleton, ND, Jessica (Richard) Love, of Little Falls, MN, and Thomas (Ashley) Schwartz, of Fargo ND, nieces Abigail, Eloise, Elizabeth, and nephews Isaac, Thomas, along with aunts, uncles.

Theresa was preceded in death by her grandmother Maureen Rexine, and grandparents Eston and Darlene Schwartz.

## CHERISHING THE MEMORIES

## *A New Journey Begins*

*There is a place I've never seen  
beyond this world we know, a place I've  
only heard of but someday hope to go -  
It's not on any map, there are no roads to  
take me there, but it's a place of perfect  
peace where hearts are free from care.  
And though I understand some may be  
saddened when I leave, one day, we all  
meet again- that's what I believe...*

*When it's time to travel there, I think I'll  
wear a smile, I'll say good-bye to those I  
love, but only for a while, knowing there are  
others who have traveled there alone,  
who cannot wait to greet me and to whisper  
"welcome home."*

*The family wishes to express their appreciation for your  
kindness and support during this difficult time. Please join  
them for fellowship immediately following the service.*

*The finality of death is welcomed with saddened arms as  
Theresa moved on. She had the peacefulness and serenity of  
a running river as she resigned herself to what she became.  
She experienced the endless waters, mountains, forests, de-  
serts and snowfalls that created her beautiful world. She  
was complete in how she achieved her goal of being mar-  
ried, and she completed her goals of learning about and  
loving animals. Her life was perfect and complete in her  
eyes. She may be mourned but she is free.*
