***A New Journey Begins***

*There is a place I've never  
seen beyond this world*

*we know, a place I've  
only heard of but*

*someday hope to go -*

*It's not on any map,*

*there are no roads to*

*take me there, but it's*

*a place of perfect peace*

*where hearts are free from care.*

*And though I understand some may be*

*saddened when I leave, one day, we all*

*meet again - that's what I believe...*

*When it's time to travel there, I think I'll  
wear a smile, I'll say good-bye to those I love,*

*but only for a while, knowing there are*

*others who have traveled there alone,*

*who cannot wait to greet me and*

*to whisper "welcome home."*
