***A New Journey
Begins***

*There is a place
I've never seen
beyond this world
we know, a place
I've only heard of but
someday hope to go -*

It's not on any map,

there are no roads to take me there,

but it's a place of perfect peace

where hearts are free from care.

*And though I understand some may be
saddened when I leave, one day, we all
meet again- that's what I believe...*

*When it's time to travel there, I think I'll
wear a smile, I'll say good-bye to those I love,
but only for a while, knowing there are
others who have traveled there alone,
who cannot wait to greet me and to whisper
"welcome home."*
