**FOOTPRINTS IN THE SAND**

Lord, You said that once  
I decided to follow You,  
We would walk side by side  
Through life.  
But when I needed You most,  
I saw only one set  
of footprints in the sand.  
The Lord replied,  
I love you  
and I would never leave you.  
During your times of trial  
And suffering, when you see  
only one set of footprints  
It was then I carried you.”
