## *IN LOVING MEMORY OF*

## *Footprints*

*One night a man had a dream...  
He was walking along the beach  
with the Lord, and across the  
sky flashed scenes from his  
life. In each scene, he  
noticed two sets of  
footprints in the sand;  
one made by him, and  
the other by the Lord.*

*When the last scene of his life  
flashed before him,  
he looked at the footprints in the sand,  
and noticed that many times along the path of his life  
there was only one set of footprints. He also noticed that  
it happened at the worst times of his life.*

*This bothered him, so he asked the Lord about it.  
“Lord, You said that once I decided to follow You,  
You’d walk with me all the way.  
But, I’ve noticed that during times of trouble  
there is only one set of footprints.  
I don’t understand why You left me when  
I needed You most.”*

*The Lord replied, “My precious child, I love you  
and would never leave you... During your times of trouble  
where you see only one set of footprints,  
I was carrying you.”*
