In Loving Memory

*Miss Me -
But Let Me Go...*

*When I come to the
end of the road
And the sun
has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free
Miss me a little- but not too long,
And not with your head bowed low.
Remember the love that we once shared,
Miss me - but let me go.
For this is a journey that we all must take,
And each must go alone.
It's all a part of the Master's plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know.
And bury your sorrows in doing good deeds,
Miss me - but let me go.*
