### REMEMBER ME

Don't remember me with sadness,  
Don't remember me with tears,  
Remember all the laughter,  
We've shared throughout the years.  
Now I am contented  
That my life it was worthwhile,  
Knowing as I passed along the way  
I made somebody smile.  
When you are walking down the street  
And you've got me on your mind,  
I'm walking in your footsteps  
Only half a step behind.  
So please don't be unhappy  
Just because I'm out of sight,  
Remember that I'm with you  
Each morning, noon and night.
