CELEBRATING THE LIFE OF

A New Journey Begins

*There is a place I've
never seen beyond this
world we know, a place
I've only heard of but
someday hope to go -
It's not on any map, there
are no roads to take me there,
but it's a place of perfect
peace where hearts are free from care.
And though I understand some
may be saddened when I leave,
one day, we all meet again -
"that's what I believe..."*

*When it's time to travel there, I think
I'll wear a smile, I'll say good-bye
knowing there are others who
have traveled there alone, who cannot
wait to greet me and whisper -
"welcome home."*
