A wife, a mother, a grandma
too, this is the legacy we
have from you.

You taught us love and
how to fight, you gave us
strength, you gave us might.

*A stronger person would be hard to find,
And in your heart, you were always kind.*

*You fought for us all in one way or another,
Not just as wife not just as mother.*

*For all of us you gave your best,
Now the time has come for you to rest.*

*So go in peace, you've earned your sleep.
Your love in our hearts, we'll eternally keep.*

*The family wishes to express their appreciation for your
kindness and support during this difficult time. Please join
them for fellowship immediately following the burial.*
